```

The diagram illustrates a dependency structure. At the top is a grey rectangular box containing the text 'kdbnotification.h'. Two blue arrows originate from the bottom edge of this box. The arrow on the left points to a white rectangular box containing 'kdb.h'. The arrow on the right points to another white rectangular box containing 'kdbtypes.h'. This indicates that 'kdbnotification.h' depends on both 'kdb.h' and 'kdbtypes.h'.
